## 1. Introduction

We hope that issues can be addressed by talking to the relevant staff. Open communication and regular engagement between the school, parents/carers and other stakeholders is vital to nurturing positive relationships within the whole school community.

### 1.1. School Information

**The Board of Governors together with the Principal set the direction and tone of the school in all that they do and are committed to working with parents in the best interests of their children's education. The purpose of the 'Complaints Procedure' is to address complaints raised by parents/guardians.**

The procedure covers all matters relating to the actions of staff employed in the school and the application of school procedures, where they affect individual pupils. However, school staff, and the Board of Governors recognise the difference between a concern and a complaint. Taking informal concerns seriously at the earliest possible stage will reduce the numbers that develop into formal complaints.

Here at Drumahoe Primary School, we have the best interests of all our pupils and their families at the centre of everything that we do. We encourage anyone with a worry to speak to us as soon as possible. If issues are dealt with at an early stage, then they are more likely to be resolved leaving no unnecessary dissatisfaction.

We welcome communication with our staff. Parents / carers can do this by contacting staff as outlined below:

**We take all issues seriously and make every effort to resolve matters as quickly as possible.**

## 2. Scope of the Complaints Procedure

A complaint is described as an expression of dissatisfaction with our work.

### 2.1 Complaints with Established Procedures

Our school Complaints Procedure sets out how any expression of dissatisfaction relating to the school will be managed. By taking complaints seriously at the earliest possible stage, it is hoped that they can be resolved quickly and effectively.

***Some examples of complaints dealt with:***

- Not following school policy;
- Communication delays / lack of communication;
- Difficulties in staff / pupil relationships.

**This procedure should not be used for complaints with separate established procedures, however if your complaint relates to the school's failure to correctly administer any of these procedures, then you may complain by means of this procedure.**

Some examples of statutory procedures and appeal mechanisms, which are not part of the school's complaints procedure, are listed below. The list is not exhaustive. The Principal/ Chair of Governors will advise on the appropriate procedure to use when a complaint is raised.

Exceptions
<ul style="list-style-type: none"><li>• Admissions / Expulsions / Exclusion of children from school</li><li>• Statutory assessments of Special Educational Needs (SEN)</li><li>• School Development Proposals</li><li>• Child Protection / Safeguarding</li></ul>

### 2.2 Anonymous Complaints

The school will not normally investigate anonymous complaints, unless deemed by the Chairperson of the Board of Governors to be of a very serious nature. The decision of dealing with such complaints will be at the discretion of the Chairperson of the Board of Governors.
