INVESTOR IN PEOPLE

8th November 2021

Dear Parents/Guardians,

I trust this letter finds you all safe and well. I just wanted to say hello to you all and to thank you and the staff of the school for the very warm welcome I received last week.

I feel very privileged to have been appointed as the new principal of Drumahoe Primary School. I spent some time last week getting to know the children and they really are a super bunch of young people and a real credit to you. I am looking forward to getting to know them all a lot better over the coming months and years. I believe, the success of a child's education impinges on the positive relationship between the pupils, the school and the parents. Therefore, I am looking forward to working with you to ensure the high standards and successes the school has achieved in the past continue into the future.

With the COVID restrictions that are in place at the moment, I feel that meeting you all indoors in a formal setting may not be appropriate. I plan to be visible on the grounds of the school in the morning as much as possible over the next few weeks and months. If you would like to speak to me just to say hello and introduce yourself or have any other queries, please feel free to use this time to do so. If there is anything further that you would like to discuss, please do not hesitate to contact the office and make an appointment with myself.

Looking forward to working alongside the extremely dedicated staff and yourselves to build and maintain positive relationships with the entire school community in the best interests of our children's education.

Yours sincerely,

Mrs Walker

Developing the potential of everyone to the full, within a caring and stimulating environment.

Principal: E. Walker B.Ed.
